

# red gate farm

EDUCATION CENTER

## **Part-Time Teacher** (hourly, April - October)

### **Job Description**

Part-time teachers work closely with our full-time lead teachers and provide important teaching support for our programs and visiting students as they work on and explore the farm. Teachers guide and work alongside students doing hands-on work around the farm. Typical work might include cleaning stalls, working with animals, weeding and harvesting in the garden, cutting down brush, and many other farm-related tasks.

### **Farm Values**

Employees are expected to embody the farm's core values:

- Being kind
- Being respectful
- Giving your all
- Having fun and trying new things

### **Qualifications & Abilities**

- Teaching or experience working with children
- Strong references
- Community oriented and able to work in busy social settings
- Love for the outdoors and working in an outdoor environment

### **Specific Responsibilities**

- Be a positive role model for students
- Help implement daily activities for students
- Maintain and clean program spaces
- Work cooperatively and closely with other farm staff

### **Additional Requirements**

- Must be able to work in an outdoor setting, including moderate hiking, running, climbing and lifting moderately heavy items (40lbs)
- Must be able to work in a farm environment with a variety of livestock types (training provided)

### **Compensation and Benefits:**

\$18 per hour. Farm meals provided.
